

## Driver Benefits

### Keep Your Drivers Moving.

FleetShare's industry-leading fleet management tools provide your drivers with more control while demanding less administrative support from you and your staff. FleetShare is the right choice for any fleet manager who wants to reduce wasteful, underutilized vehicles while serving more drivers, more reliably.

With FleetShare's easy-to-use technology, your authorized drivers can:

- Reserve vehicles 24 hours a day, 7 days a week
- Change reservations easily at any time
- Access reserved vehicles without keys or assistance
- Pick up and drop off vehicles after hours or in unstaffed locations
- Forget about drop-boxes and lost fobs
- Utilize fleet vehicles more efficiently
- Take advantage of 24/7 Driver Call Center support as needed.
